🪪 SUMMARY

Entry-level Frontend Developer with hands-on experience building responsive, component-based web applications using React.js, JavaScript, HTML, and CSS. Worked on multiple UI-focused projects involving DOM manipulation, local storage, and interactive user flows. Comfortable using Git/GitHub and Bootstrap in real project workflows.

🎓 EDUCATION

BCA   08/2022 – 05/2025 | 74.92%
Smt. Mathubai Garware Kanya Mahavidyalaya, sangli

🧠 SKILLS

Technical Skills
- Frontend: HTML5, CSS3, JavaScript (ES6+)
- Frameworks & Libraries: React.js, React Hooks, Bootstrap
- Core Concepts: DOM Manipulation, Event Handling, Responsive Design
- Tools: Git, GitHub, VS Code

Soft Skills
Problem Solving, Analytical Thinking, Attention to Detail, Adaptability, Time Management, Self-Learning, Technical Documentation, Collaboration

📂 PROJECTS

Shopping UI Cart   09/2025 – 12/2025
- Built an interactive shopping cart using JavaScript with add-to-cart, quantity updates, and dynamic price calculation
- Implemented efficient DOM manipulation to update UI state in real time
- Designed responsive layouts to ensure smooth usability across devices

Link Access & Sticky Notes Web App   10/2024 – 12/2025
- Created a JavaScript-based web application for managing links and sticky notes
- Used browser localStorage for persistent data storage without backend integration
- Improved usability through intuitive UI design and efficient data handling
- Live Demo: https://sakshimalkar.github.io/Sticky_Notes/ 🔗

Portfolio Website   11/2025 – 12/2025
- Developed a personal portfolio website using HTML, CSS, and JavaScript to showcase frontend projects
- Focused on clean navigation, responsive layout, and recruiter-friendly presentation
- Deployed the website and optimized performance for faster load times

React Restaurant-Based Website   12/2025 – 01/2026
- Developed a React-based website using functional components and hooks
- Structured reusable components to improve maintainability and scalability
- Implemented responsive UI using Bootstrap for cross-device compatibility
- Live Demo: https://sakshimalkar.github.io/Restaurant-Website/ 🔗

🎖 CERTIFICATES & TRAINING

- Web Development Certification
- AWS & DevOps Fundamentals
- Microsoft: Implement Azure App Service Web Apps
- Deloitte Australia – Technology Job Simulation
- BCG GenAI -Job Simulation
- React.js Programming Certification
- Python Full Stack Development – SevenMentor, Pune (Jun 2025 – Present)
